### **Second Star to the Right**

#### **All sing**

The second star to the right shines in the night for you  
To tell you that the dreams you planned, really can come true.  
The second star to the right shines with a light so rare  
And if it's Never land you need, its light will lead you there.

#### **Shooting Star**

And I see a shooting star, on his way to who knows where.  
While the other stars are standing still, he's on a quest.  
Every night that shooting star, dances 'cross the twilight sky.  
On an endless search through time and space,  
For a place where we can fly.

#### **When you wish upon a Star**

##### **Solo Carlene**

When you wish upon a star, makes no difference who you are.  
Anything your heart desires will come to you  
Like a bolt out of the blue, fate steps in and sees you through  
When you wish upon a star your dreams come true.

#### **Chim chiminey**

Chim chiminey, Chim chiminey , chim chim cheree  
When you're with a sweep you're in glad company  
Chim chiminey Chim chiminey , chim chim cheroo  
Good luck will rub off when I shake hands with you  
Chim chiminey , Chim chim, cheree, chim cheroot

We will step in, step in time, We will step in, step in time

Never need a reason never need a rhyme  
We will step in, step in time  
Over the rooftops step in time  
Over the rooftops step in time  
Never need a reason never need a rhyme  
Over the rooftops step in time

Watch your step but step in time  
Watch your step but step in time  
Never need a reason never need a rhyme  
Watch where you step but step in time

If you need us if you don't  
Doesn't make much odds  
We'll be watching over you  
Brushes brooms and brushes brushes brooms and....

That's when we step in step in time  
That's when we step step in time  
Never need a reason never need a rhyme  
That's when we step in, step in time

### **Under the sea**

Solon Carlene

Ahhh

### All

The seaweed is always greener, in somebody else's lake  
You dream about going up there, But that is a big mistake  
Just look at the world around you, Right here on the ocean  
floor  
Such wonderful things surround you. What more is you looking  
for?

Under the sea, under the sea  
Darlin' it's better down where it's wetter  
Take it from me  
Upon the shore they work all day  
Out in the sun they slave away  
While we devotin' full time to floatin'  
Under the sea

Since life is sweet here, we got the beat here naturally  
What do they got? A lot of sand  
We got a hot crustacean band  
Each little clam here know how to jam here under the sea.  
Each little snail here, know how to wail here  
That's why it's hotter under the water  
Yay we in luck here down in the muck here under the sea.

### **How far I'll go**

I've been standing at the edge of the water long as I can  
remember, never really knowing why  
Every turn I take every trail I track  
Every path I make, every road leads back  
To the place I know where I cannot go, though I long to be  
See the line where the sky meets the sea. It calls me  
And no-one knows how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know, what's beyond that line. Will I cross that  
line?  
See the line where the sky meets the sea. It calls me  
And no-one knows how far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know how far I'll go

### **Hakuna Matata**

Hakuna Matata Hakuna Matata Hakuna Matata Hakuna  
Matata Hakuna Matata Hakuna Matata Hakuna Matata  
Hakuna

Hakuna Matata Hakuna

Hakuna Matata what a wonderful phrase

Hakuna Matata ain't no passing craze

It means no worries for the rest of your days

It's our problem free, philosophy. Hakuna Matata

### **I just can't wait to be King**

I'm gonna be a mighty king, so enemies beware

Well I've never seen a king of beasts with quite so little hair

I'm gonna be the 'mane' event like no king was before

I'm brushing up on looking down

I'm working on my roar

Thus far a rather uninspiring thing

Oh I just can't wait to be King

Everybody look left, everybody look right

Everywhere you look I'm standing in the spotlight

Let every creature go for broke and sing

Let's hear it in the herd and on the wing

It's gonna be King Simba's finest fling

Oh I just can't wait to be King, Oh I just can't wait to be King,

Oh I just can't wait to be King

### **Live the Magic**

#### **Duet Roisin and Darren**

It's a world where you belong, where you can dream aloud.

Your heart will follow

Get up, and sing along, the moment's here and now,

Inside we all know.

If we believe in the fantasy, it will carry us away, carry us away  
You and me makin' memories today.

**All sing**

Step into the magic, watch the stories come to life

Step into the magic, every colour shines so bright

Turn on your light

Come on and live the magic, so much to find

Come on and live the magic

When you wish upon a star

Ah. We believe in the fantasy, it will carry us away, carry us  
away

You and me makin' memories today

Step into the magic, watch the stories come to life

Step into the magic, every colour shines so bright

Step into the magic Step into the magic

Come on and live the magic
